Have You ever had a NEW idea and decided that You will Give it a Try?

🕯 How many times You did?

🕯 How many times You did not? Why?

By the way, You are a normal Human Being and it is Your right to think and to be Creative. Every Human is Creative by nature, just unleash the fear You have; by the way nothing critical will happen.

Life will go on but at least You tried and enjoyed Your new thoughts. You have done something new at least in Your Life...

Give it a try! You will Always Enjoy and Have FUN! And Keep the Smile You Have!
